Dear Ms. Lys and Ms. McNeill:

I am pleased to offer you my warmest congratulations on being awarded the Artic Inspiration Prize. Your inspired initiative is deserving of this recognition.

This prestigious award is a testament to your program's exceptional efforts to promote sexual health and provide leadership education to young women in the Northwest Territories. I hope that this prize will help you to replicate the success of the program in Yukon and Nunavut.

Once again, please accept my sincere commendation and best wishes for continued success in realizing your laudable objectives.

Sincerely,

The Rt. Hon. Stephen Harper, P.C., M.P.
Prime Minister of Canada
