### **AIR DATES**

START: Immediately

END: September 30, 2022

The Call for Nominations for the 2022 Arctic Inspiration Prize is now open. This year, approximately three million dollars will be awarded across three prize categories!

One team will win one million dollars.

Up to four teams will win up to 500,000 dollars.

And, up to seven teams will win up to 100,000 dollars in the Youth category for teams with members 30 years of age and younger.

Over the past 10 years the AIP has helped 49 Laureate teams' dreams come true and enabled their projects to come to life. The Arctic Inspiration Prize inspires, enables and celebrates the achievements of Northerners. It promotes team building and encourages the development of projects that benefit Arctic communities.

Last year, for the second year in a row, the Arctic Inspiration Prize (AIP) awarded over \$3 million to eight remarkable teams across the North for their groundbreaking and creative projects. What's more, this investment of over \$3 million will unlock so many more contributions from project partners from across the North and South who have already committed to supporting these important initiatives, bringing the total project value to over \$5.8 million for the 2021 laureates.
